

## **All State Selection Process**

Coaches nominate any number of players

Coaches receive the ballot and must vote for exactly 12 players

18 players make the All State Team

The top 9 players with the most votes are 1<sup>st</sup> Team All State

The next 9 players with the most votes are the 2<sup>nd</sup> Team All State

Any school not represented in the 1<sup>st</sup> or 2<sup>nd</sup> Team All State get one player named to Honorable Mention ( #1 ranked player listed on the ballot by the coach)

## **Player of the Year**

Each team may nominate one player for Player of the Year.

The Player of the Year can be a volleyball player in any grade.

## **All State Voting Procedure**

- Coaches may not vote for their own players for All State or Player of the Year
- Coaches may not vote for themselves for Coach of the Year
- Coaches must be paid members of the NHVCA to nominate and vote for All State, Player of the Year and Coach of the Year.
- Coaches must vote, fill out the ballots correctly and mail the ballot in on time. Consequence for not doing these things: their players will not receive All State or Player of the Year honors nor will the coach be named Coach of the Year
- To be valid the ballots must be postmarked by the day after the semi finals.

## **Tie Breaking Procedure for All State:**

1<sup>st</sup> The player whose team is not yet represented on the All State list

2<sup>nd</sup> The player whose team went the furthest in the tournament

3<sup>rd</sup> Regular season ranking.

## **Tie Breaking Procedure for the Coach of the Year**

The Coach whose team went the furthest in the tournament, unless one of the coaches in the tie vote was named Coach of the Year the previous year, then that Coach would not receive back to back Coach of the Year awards

## **Tie Breaking Procedure for the Player of the Year**

There will be no tie breaking procedure used and both players would be named Player of the Year
